

## 9 CD changer

The CD changer is located in the luggage compartment behind the removable right side trim panel.

Description of function ⇒ Operating Instruction Superb II .

### Note

- ◆ *If the CD changer plays back commercially available CDs, however not burnt CDs, there is no fault in the CD changer. This is why it is not permitted to exchange the CD changer.*
- ◆ *No CD-Extra and Mix Mode CD (CD with computer and audio data together) can be played back.*
- ◆ *No audio CDs with a diameter of 8 cm (Mini CD) can be played back.*
- ◆ *When upgrading the CD changer, the functions of the radio system/navigation system must be absolutely coded again ⇒ Vehicle diagnostic tester*

⇒ “9.1 Removing and installing CD changer”, page 74

⇒ “9.2 Plug connection on the CD changer”, page 75
